CONFERENCE REGULATIONS

II. PARTICIPATION

1. Active participant is a person who deliver a paper and paid registration fee in order to receive conference's materials and with opportunities to participate in other events. Active participant receives a certificate for the delivered paper (name, surname, theme and co-authors).

2. Passive participant is a person who does not deliver a paper or is the co-author of any paper, but only paid registration fee in order to receive conference's materials and with opportunities to participate in other events. Passive participant receives a certificate of the passive participation in the conference.

3. Free listener is a person who does not deliver a paper nor paid registration fee and has access only to participate in thematic sessions (certificates and coffee breaks excluded). Free listeners do not have to register.

4. The conference fee is obligatory for the active and passive participants. The amount of the fee is:

a) 50 PLN for passive participants,

b) 70 PLN for active participants.

5. Details about the payment will be included in an email with confirmation of qualification.

6. A money transfer to an indicated bank account is the only accepted form of registration fee payment.

6. In case of resignation conference fee will not be refunded.

7. Participants are required to fill in the electronic form for registration. The form will be available on website www.komunikacjamedyczna.pl and on Conference Facebook Page.

8. Deadline for registration as the passive participants is 7th April, 2018.
